dex's music commission info

status: **OPEN**

i am a musician that works with a DAW. i mainly create fun, experimental video-game inspired music, but i can work with various genres to some extent. please visit my [newgrounds](#) music portfolio to hear some examples.

General ToS / Things to know

by working with me, you have read & agree to the following:

- 1) do not use my music for purposes that are commercial, AI, or in bad faith
- 2) no refunds (unless i'm somehow not able to finish the commission)
- 3) be patient
- 4) be as specific as you'd like, but at least give me a general idea of how you want it to sound (ex: "gloomy," "upbeat," "slow-paced," "rock-n-roll," "classical")
- 5) i have the right to decline your request for any reason
- 6) asking for progress is fine

Pricing

note: prices listed are only a starting point, it will likely vary depending on your commission details.

Short, simple tune **\$10**

30-40 sec. melody with a lead, bass, and simple percussion. Great if you want a short opening/intro for a video project or game.

Theme song **\$20**

60-80 sec. song with a lead, bass, percussion, and complementary instruments. Great for BGM in a video game or other project.

Full soundtrack **\$40+**

if you want me to compose OST for your game or other project, you will need to talk to me personally via discord so we can sort that out, because you're essentially hiring me for a job.

pricing WILL vary, depending on what kind of project i'm making music for, what type of music you're wanting, the length, etc.
